Re: Boston Edison Company, D.T.E. 00-82

Dear Secretary Cottrell:

Enclosed for filing are corrected pages for Exhibit BEC-BKR-1 (Supp). Page 1 of 8 of the Exhibit, filed on April 13, 2001, included an undercollection of \$53.318 million dollars for 1998, Column K. The sign was reversed on this figure, which should have been listed as an overcollection of \$53.318 million, as noted in the supplemental testimony of Bryant K. Robinson (Exh. BEC-BKR (Supp), at 6). The corrected page reverses the sign for this entry, which then flows through the remainder of Page 1 of 8. Because the calculation computes lower projected transition charges for subsequent years, the correction also changes the projected mitigation incentive set forth on Pages 5 and 6 of Exhibit BEC-BKR-1 (Supp). No other page of Exhibit BEC-BKR-1 (Supp) changes.

For convenience, the Company has provided a complete, corrected version of Exhibit BEC-BKR-1. If you have any questions, please contact me or William Stowe at 617-424-2544.

Thank you for your attention to this matter.

Sincerely,

Robert N. Werlin
